## Project Information

---

Approximately 5,000 square foot interior tenant improvement. The construction schedule was very compressed. Completion of Computer Lab, Training Room along with open and private offices. This project was integrated with both VSI divisions; VSI Construction and Facility Solutions.

Reconfigured over 40 Herman Miller and Rosemount furniture workstations in open areas and private offices. VSI provided layout design and inventory control of furniture systems.

The owner decided to retire as a result Midwest Systems closed their doors.
