## Project Information

---

VSI has worked with the facilities department at the SuperValu Northern Region office for over 10 years assisting the staff with inner office moves, workstation configuration, inventory management, major installations and moves in multiple facilities. VSI coordinates with SuperValu facilities department as well as the electricians and low voltage contractors on all of these projects. In February 2004, VSI assisted SuperValu in a three-phase move/reconfiguration at their main office facility in Hopkins. The project was completed several days ahead of schedule.
